

# These items should go in the Yellow Container

Only applies to empty packaging featuring the Green Dot!

## Plastic packaging:

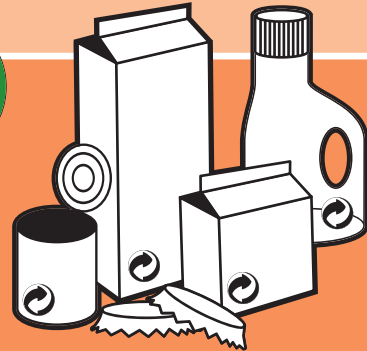

- Bottles of personal hygiene articles, washing up liquids, detergents
- Containers of margarine, dairy products, etc.
- Foils and films, e. g. bags, wrapping film, carrier bags

## Metal packaging:

- Aluminium foil
- Aluminium lids
- Aluminium containers/tubes
- Caps and tops of jars and bottles
- Crown caps
- Tin cans

## Packaging made from composite materials:

- Juice and milk cartons
- Vacuum packaging (e. g. coffee)

## DO NOT put in the Yellow Container:

- Glass and paper
- Products made from synthetic materials, metal and composite materials that are not packaging (e. g. toys, diapers, electrical appliances)
